

## Creavit Management Systems Policy

Creavit aims to be among the leading companies nationwide and the most reputable companies worldwide. It is our primary objective to operate in compliance with sustainable development principles and occupational health, safety and environment requirements.

For this purpose, at Creavit, we take as our duty;

- ✓ To assess our performance regularly while striving to achieve our objectives,
- ✓ To acknowledge our customers as our raison d'être and adopt a customer-focused approach,
- ✓ To expand our market share by constantly improving our technology and human resources and provide our customers with products that always meet their expectations,
- ✓ To provide a safe and healthy working environment for our employees, whom we consider to be our most valuable asset, and to raise their awareness through training and other activities,
- ✓ To undertake research and all necessary actions in order to prevent any injuries and health problems that may occur during operations,
- ✓ To maximize the efficiency and recovery of natural resources such as raw materials, energy and water throughout our operations,
- ✓ To pass down a cleaner environment to subsequent generations and do what is necessary in terms of waste management to prevent pollution during our operations,
- ✓ To comply with all legal regulations, standards and laws in effect,
- ✓ To implement, maintain and improve TS EN ISO 9001 Quality, TS EN ISO 14001 Environment, TS 18001 Occupational Health and Safety Management Systems and share this with the public.
